A motion was made by Supervisor Giebelhaus seconded by Councilmember Bunzey to accept the meeting minutes of the June 10, 2026 Supervisor Giebelhaus and Councilmembers Bunzey, Duncan and Miller all voted aye.

PUBLIC COMMENT

Weston Hillagas affiliated with RIC Energy and the proposed Solar Farm on Jansen Lane spoke of the tour that was held during the day, he thanked Planning Board Chairman Khoury for touring the property and urged Board members to contact him to set up a later date to see the tour in person.

Victor Procopio A resident of Helderberg Lake signed up to thank the board for the news he read of Jonathan Heigel no longer being employed by the Town.

DEPARTMENT REPORTS

Highway Department Supervisor Giebelhaus took a moment to recognize Highway Superintendent Allen Stempel for his commitment to creating a better Berne- The Sewer Department recently sent an email thanking him for his constantly being flexible and helping with the day to day. Superintendent Stempel reported a truck repair costing \$22,000 for the fuel line. Supervisor Giebelhaus also discussed the hope for a bond of \$600K to purchase new Highway trucks. The end of Dyer Road was also discussed with concern from resident James Kaufman on the end of the seasonal road.

Transfer Station- Councilmember Bunzey discussed the meeting with vendor Casella that again did not happen. He discussed hopes of creating more of a recycling facility and finding items to bring in revenue. During budget season the plan is to crunch the numbers and make the facility budget neutral, also discussion about sending notices on ways to save money to lower taxes. Supervisor Giebelhaus added he put together an analyst of the projected cost and for this year so far the budget projects are about

\$20,000 short. In the fall there will be budget meetings and the Transfer Station committee is to meet prior and propose ideas to the Town Board.

Planning Board Chairman Steve Khoury said the Planning Board was presented to two lot line adjustment applications on Bradt Hollow as well as a subdivision. He also stated that his site visit/tour to Jansen Lane RIC Energy Solar Farm was positive they had adapted to the changes the Planning Board suggested and that overall it was a good exchange.

Parks & Recreation Parks and Recreation Chair Mary Claire Ansbro was very happy with the turnout of the Independence Day celebration on June 27th at the Town Park. She thanked the East Berne Fire for their support at the event, along with Helderberg Ambulance and Albany County Sheriffs. She also thanked Deputy Supervisor Doolin and said his new nickname would be “scoop” as he served 18 gallons of ice cream himself! She also reminded the public of upcoming free events- next up August 30, 2026 Car Show.

Library Director Kathy Stempel wanted to remind everyone of the summer reading program and all the great events happening Tuesdays at 10:30 & Thursdays at 3PM and also the adult summer reading programs available.

**Resolution No. 57 of 2026 ESTABLISHING THE ORGANIZATIONAL
STRUCTURE OF THE TOWN OF BERNE OFFICE OF BUILDINGS AND
CODES**

WHEREAS, the Town Board of the Town of Berne is responsible for organizing the administration of Town departments and offices in a manner that promotes efficient, effective, and accountable municipal operations; and

WHEREAS, the Town Board is responsible for providing for the administration and enforcement of the New York State Uniform Fire Prevention and Building Code and the State Energy Conservation Construction Code in accordance with applicable law; and

WHEREAS, the Town Board finds that separating administrative code enforcement responsibilities from field inspection duties promotes efficiency, accountability, continuity of operations, and improved public service; and

WHEREAS, the Town Board desires to establish a clear organizational structure and chain of command within the Office of Buildings and Codes.

NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the Town of Berne hereby establishes the Office of Buildings and Codes as follows:

Section 1. Office Established

The Town of Berne Office of Buildings and Codes shall consist of the following positions:

- One (1) Part-Time Code Enforcement Officer.
- One (1) Part-Time Building Inspector.

Additional personnel may be authorized by resolution of the Town Board as operational needs require.

Section 2. Code Enforcement Officer

The Code Enforcement Officer ("CEO") shall serve as the administrative head of the Office of Buildings and Codes.

The Code Enforcement Officer shall be responsible for:

1. Administration and enforcement of the New York State Uniform Fire Prevention and Building Code and the State Energy Conservation Construction Code.
2. Administration of the Office of Buildings and Codes.
3. Supervision of all personnel assigned to the Office.
4. Assignment of work, inspections, schedules, and daily operational responsibilities.

5. Review of permit applications and plans as required by law.
6. Issuance of building permits, certificates of occupancy, certificates of compliance, operating permits, notices of violation, stop-work orders, orders to remedy, and other official documents authorized by law.
7. Coordination of inspections and enforcement activities.
8. Review of inspection reports and quality assurance of code enforcement activities.
9. Maintenance of required records and reports.
10. Preparation of recommendations and reports to the Town Supervisor and Town Board.
11. Development and implementation of administrative procedures for the efficient operation of the Office.
12. Performance of such additional duties as required by law or assigned by the Town Board.

Section 3. Building Inspector

The Office shall include one (1) Part-Time Building Inspector.

The Building Inspector shall report directly to and be under the supervision of the Code Enforcement Officer.

The Building Inspector shall:

1. Conduct building, fire safety, property maintenance, and related inspections as assigned.
2. Perform field investigations.
3. Review construction for compliance with applicable codes.
4. Document inspection findings.
5. Assist in plan review when assigned.
6. Prepare inspection reports and recommendations.
7. Assist with permit processing and code enforcement activities as directed.
8. Perform such additional duties as assigned by the Code Enforcement Officer.

The Building Inspector shall not independently administer the Office of Buildings and Codes or supervise Town personnel except as specifically authorized by this resolution or by the Town Board.

Section 4. Supervisory Authority

The Code Enforcement Officer shall have responsibility for the day-to-day administration and management of the Office of Buildings and Codes, including:

- Employee supervision;

- Assignment of work;
- Scheduling;
- Inspection assignments;
- Operational procedures;
- Recordkeeping;
- Customer service;
- Quality assurance;
- Coordination with other Town departments.

Nothing contained in this resolution shall diminish the authority of the Town Board to:

- Appoint or remove personnel;
- Establish compensation;
- Adopt policies;
- Approve budgets;
- Create or abolish positions; or
- Exercise any authority granted by New York law.

Section 5. Delegation of Enforcement Authority

All official code enforcement determinations, including:

- Notices of Violation;
- Stop-Work Orders;
- Orders to Remedy;
- Certificates of Occupancy;
- Certificates of Compliance;
- Operating Permits;
- Enforcement actions; and
- Other official determinations authorized by law, shall be issued under the authority of the Code Enforcement Officer unless otherwise authorized by law or delegated in writing by the Code Enforcement Officer to a properly certified Building Inspector.

Section 6. Temporary Absence of the Code Enforcement Officer

In the temporary absence of the Code Enforcement Officer, the Building Inspector may perform those duties authorized by New York State law for which the Building Inspector possesses the required certifications.

The Building Inspector shall not assume administrative supervision of the Office of Buildings and Codes or exercise supervisory authority over Town personnel except as specifically authorized by the Town Board or by the Town Supervisor acting pursuant to authority delegated by the Town Board.

Section 7. Certification Requirements

The Code Enforcement Officer and the Building Inspector shall obtain and continuously maintain all certifications, qualifications, and continuing education required by the New York State Department of State for the performance of their respective duties.

Failure to maintain the certifications required by law may constitute grounds for suspension or removal from office in accordance with applicable law, Town policy, and any applicable employment agreement.

Section 8. Administrative Procedures

The Code Enforcement Officer shall develop and maintain written administrative procedures governing:

- Permit processing;
- Plan review;
- Inspections;
- Complaint investigations;
- Enforcement actions;
- Recordkeeping;
- Public records management;
- Customer service; and
- Coordination with other Town departments.

Such procedures shall be consistent with New York State law and Town policy and shall be provided to the Town Supervisor and Town Board upon request.

Section 9. Compensation

Compensation, hours of work, and other terms and conditions of employment for the positions established by this resolution shall be established by separate resolution of the Town Board.

Section 10. Severability

If any section, subsection, sentence, clause, or provision of this resolution is adjudged invalid, such determination shall not affect the validity of the remaining portions of this resolution.

Section 11. Effective Date

This resolution shall take effect immediately upon its adoption and shall remain in effect until amended or repealed by resolution of the Town Board.
